

2015 Easton Foundations League Founders Award

The Easton Foundations League Founders Award recognizes an individual's commitment, enthusiasm, and perseverance in launching a new NICA league.

Mike Perry Arizona High School Cycling League

The Easton Foundations enabled NICA to grow outside of California and we are forever thankful for their belief in our vision of helping youth develop skills on and off the bike. Mike and his team of John Shumaker and Chris Stewart shared this vision and very quickly pushed hard to expand interscholastic cycling across Arizona. Under Mike's strong business leadership, the Arizona League has grown quickly and in just 3 years, has evolved into a financially self-sustaining organization that is building a very strong community as evidenced by the number of Arizona League members receiving awards tonight. Mike is concerned about more than just Arizona and has joined the NICA board of directors to represent his fellow league directors and to lend his business acumen to help strengthen NICA. We are extremely thankful for his passion and commitment to excellence.

EASTON FOUNDATIONS

"It's not often in your life you find yourself in a position where you can get involved in something from the grassroots and create something that's going to a positive and lasting impact on ones community."
