

2015 Clif Bar Volunteer Service Award

The Volunteer Service Award honors an exceptional volunteer whose dedication of time, expertise, and enthusiasm goes above and beyond to make a difference in the organization.

Scott Armstrong, SoCal High School Cycling League

Volunteer service is an integral part of the success of our NICA leagues, and so we award two recipients in this category. Our first is Scott Armstrong. Scott has donated hundreds of hours to the SoCal league even though he has no children racing within it yet. He genuinely cares about youth cycling and cycling in general. He has been SoCal's Chief Course Marshal since the 2011 season and has worked 28 full weekends of racing, usually from Saturday morning through Sunday night — all as a volunteer. Scott also provides important input into race operations outside of course marshaling and has helped train staff from other leagues who have made their way through SoCal. Scott is an integral part of what makes the SoCal program a success. A well-deserved congratulations to Scott!

“The NICA program is unlike anything I have ever seen...I’ve seen a lot of different races and programs. NICA blows it away; the way they support the kids, the staff and the families, just way beyond any sport I’ve been involved in.”
